**Section 5: Categories for Judged Competition - To be completed for competition entries only.**

The categories for Judged Competition entries are listed below. *Please check only one box.*

**Large Quilts: 200" or greater perimeter including binding.**

**Small Quilts: less than 200" perimeter including binding.**

**Note 1:** Domestic or hand-guided machine quilted: the quilt maker quilted the item on either a domestic or hand-guided machine

**Note 2:** Commercially domestic or hand-guided machine quilted: the quilt maker paid someone to machine quilt the item on a domestic or hand-guided machine

**Note 3:** Computer guided machine quilted: the item was quilted with a quilting machine using computer programmed designs

**Note 4:** Original Design: item must be the quilt maker's original design

**Note 5:** Hand or machine embroidery WILL NOT be accepted in this category. Please refer to Potpourri Quilts.

**Note 6:** Entry must be a single unit. Framed or mounted items will not be accepted into any judged category.

**Note 7: Quilt Kits:** A kit is defined as a purchased package (or originating from a purchased package) which may include a pattern, fabric, embellishments and/or die cut shapes.

**Note 8: Miniature Quilt:** A miniature quilt is NOT just a small quilt. It must be a version of a larger quilt reduced in scale. Overall design, piecing and/or appliqué, quilting design, binding and surface embellishments must be in compliance and harmony with the reduced scale. Maximum size: Less than 80" perimeter.

**Note 9: First Entry in Competition:** – quilter has never before entered a quilt in any judged competition
