

November 2008 MPQ Meeting Photos:

ABC:

- As usual, the Guild was very generous with ABC donation quilts this month....

Member of the Month – Heather Newfeld

- Heather provided us with a rich description of her quilting journey as influenced by a number of her experiences living in Africa. The Minnesota Backroad design was the last quilt in her presentation.

Tracy Popp constructed and quilted this beautiful Dresden Plate from fabrics donated by Liz Martin. The quilt has been donated to Helping Hands Inc., an organization dedicated to helping Manitobans with breast cancer. The quilt was auctioned at their annual fund raising Social held on Saturday November 15, 2008

Show and Tell:

- As always, beautiful quilts were shown at the November meeting.
- Val Hazelton ended Show and Tell with her Quilt Diva (amy Bradley Designs) quilt.(front and back).
