

## MPQ Education Committee Volunteer Opportunities for 2027/28

Would you enjoy helping bring an interesting speaker or teacher to MPQ?

We are looking for **one or two member teams** to take on one of these opportunities on a **one-time basis**. Choose a speaker or teacher you would personally enjoy bringing to MPQ and help create an educational experience for our members.

**The Executive will provide guidance, mentorship and backup throughout the process.**

### Why Volunteer?

These are **short-term opportunities—not permanent committee positions**. It's a chance to share your interests, bring in someone whose work you admire, meet other members and help shape MPQ's educational programming.

**Interested?** Please speak with a member of the Executive. We'd be happy to answer your questions and help you find an opportunity that works for you.
